

Planting List C – Restricted Species List

Alien flower and grass species restricted from Larch Park. Some of these plants, such as Maltese Cross, are horticultural favourites. However, they can 'get away' from areas where they are planted and enter wild areas (e.g., Edmonton's parks). Also on this list are common lawn grasses, such as Creeping Red Fescue and Kentucky Blue Grass. If lawn grasses are used, they should be used as little as possible, and be surrounded by native species.

Alien species		
'Scientific Name'	Common Name	Plant type
Abutilon theophrasti	Velvet-leaf	Flower
Aegopodium podagraria	Goutweed	Flower
Alliaria petiolata	Garlic Mustard	Flower
Alopecurus pratensis	Meadow Foxtail	Flower
Ambrosia artemisiifolia	Ragweed	Flower
Ampelopsis brevipedunculata	Amur Peppervine	Flower
Anthemis tinctoria	Yellow Chamomile	Flower
Anthriscus sylvestris	Wild Chervil	Flower
Arctium lappa	Great Burdock	Flower
Arctium minus	Common Burdock	Flower
Arctium tomentosum	Woolley Burdock	Flower
Arctium vulgare	European Burdock	Flower
Artemisia absinthium	Absinth	Flower
Astragalus cicer	Cicer Milkvetch	Flower
Bassia hyssopifolia	5-Horn Smotherweed	Flower
Bassia hyssopifolia	5-Hook Bassia	Flower
Table 3. Continued		
Berteroa incana	Hoary-alyssum	Flower
Camelina sativa	Big-seed false flax	Flower
Cardaria sp.	Whitetop or Hoary Cress	Flower
Celastrus orbiculatus (C. orbiculata)	Japanese Bittersweet	Flower
Centaurea repens (Acroptilon repens)	Russian Knapweed	Flower
Cerastium vulgatum (C. fontanum ssp. vulgare)	Chickweed	Flower
Chenopodium album	Lamb's-quarters	Flower
Chondrilla juncea	Rush Skeletonweed	Flower
Chrysanthemum leucanthemum	Ox-eye Daisy	Flower
Cirsium palustre	Marsh Thistle	Flower
Cirsium vulgare	Bull Thistle	Flower
Clematis tangutica	Yellow Clematis	Flower
Clematis vitalba	Evergreen Clematis	Flower
Conium maculatum	Hemlock	Flower
Coronilla varia	Crown Vetch	Flower
Crupina vulgaris	Common Crupina	Flower

Alien species		
'Scientific Name'	Common Name	Plant type
Datura sp.	Jimson Weed, Chinese Thorn-apple	Flower
Dipsacus fullonum	Fuller's or Common Teasel	Flower
Echinocystis lobata	Wild Cucumber	Flower
Fallopia japonica (Polygonum cuspidatum)	Japanese Bamboo, J. Knotweed	Flower
Galium odoratum	Sweet Woodruff	Flower
Galium spurium	False Cleavers	Flower
Gentiana lutea	Yellow Gentian	Flower
Gypsophila paniculata	Baby's-breath	Flower
Heracleum mantegazzianum	Giant Hogweed	Flower
Hesperis matronalis	Dame's Rocket	Flower
Hieracium aurantiacum	Orange Hawkweed	Flower
Hippophae rhamnoides	Sea Buckthorn	Flower
Hydrocharis morsus-ranae	European Frog's-bit	Flower
Hypericum perforatum	Klamath weed	Flower
Impatiens glandulifera	Himalayan Balsam	Flower
Iris pseudacorus	Yellow Flag	Flower
Kochia scoparia (Bassia scoparia)	Summer Cypress or Burning Bush	Flower
Lappula occidentalis (L. echinata)	Blue-bur	Flower
Lepidium latifolium (Cardaria latifolium)	Perennial Peppergrass	Flower
Lespedeza cuneata	Chinese bush-clover	Flower
Lychnis chalconica	Maltese Cross	Flower
Malva sylvestris	High Mallow	Flower
Matricaria perforata (Tripleurospermum perforata)	Scentless Chamomile	Flower
Medicago lupulina	Black Medick	Flower
Mirabilis nyctaginea	Wild Four O'clock	Flower
Nepeta cataria	Catnip	Flower
Odontites serotina	Red Bartsia	Flower
Onobrychis viciifolia	Sainfoin	Flower
Pastinica sativa	Parsnip	Flower
Peganum harmala	African Rue	Flower
Polygonum arenastrum	Common or Yard Knotweed	Flower
Polygonum convolvulus	Wild Buckwheat	Flower
Polygonum perfoliatum	Tearthumb or Mile-a-minute Vine	Flower
Polygonum persicaria	Lady's-thumb	Flower
Potamogeton crispus	Curly Pondweed	Flower
Potentilla recta	Sulphur Cinquefoil	Flower
Ranunculus repens	Creeping Buttercup	Flower
Rumex crispus	Curled Dock	Flower
Rumex longifolius (R. domesticus)	Yard Dock	Flower
Salsola pestifer (S. tragus)	Russian Tumbleweed	Flower
Saponaria vaccaria (Vaccaria hispanica)	Cowcockle	Flower
Senecio jacobaea	Tansy Ragwort	Flower
Silene alba (S. latifolia ssp. alba)	White Champion	Flower
Silene cserei	Balkan Catchfly	Flower
Silene cucubalus	Bladder Champion	Flower

Alien species		
'Scientific Name'	Common Name	Plant type
Silybum marianum	Milk Thistle	Flower
Sisymbrium altissimum	Tumbling Mustard	Flower
Sisymbrium loesellii	Tallhedge or Small Tumbleweed Mustard	Flower
Sonchus asper	Spiny Sow Thistle	Flower
Sonchus uliginosa	Perennial Sow Thistle	Flower
Tragopogon dubius	Goat's-beard	Flower
Tripleurospermum perforatum	Scentless Chamomile	Flower
Verbascum thapsus	Mullein	Flower
Melilotus alba	White Sweetclover	Flower
Melilotus officinale	Yellow Sweetclover	Flower
Trifolium hybridum	Alsike Clover	Flower
Trifolium pratense	Red Clover	Flower
Trifolium repens	White Clover	Flower
Trifolium sp.	Clovers	Flower
Vicia cracca	One-sided Vetch	Flower
Agropyron pectiniforme (A. cristatum)	Crested Wheatgrass	Graminoid
Agropyron repens	Quack Grass	Graminoid
Agrostis stolonifera	Creeping Bentgrass	Graminoid
Bromus inermis var. inermis	Smooth Brome	Graminoid
Bromus japonicus	Japanese Chess	Graminoid
Butomus umbellatus	Flowering-rush	Graminoid
Festuca rubra	Creeping Red Fescue	Graminoid
Glyceria grandis (G. maxima)	Great Manna Grass	Graminoid
Medicago sativa	Alfalfa	Graminoid
Phalaris arundinacea	Reed Canary Grass	Graminoid
Phleum pratense	Timothy	Graminoid
Phragmites australis (P. communis)	Common Reed	Graminoid
Plantago major	Common Plantain or Whiteman's Foot	Graminoid
Poa compressa	Canada Bluegrass	Graminoid
Poa pratensis	Kentucky Bluegrass	Graminoid
Schedonorus phoenix	Tall Fescue	Graminoid
Sorghum halepense	Aleppo grass	Graminoid
Vulpia myuros (Festuca myuros)	Rattail Fescue	Graminoid
